INTRODUCTION

THE DAUPHIN BIBLE CAMP is one of 43 camps operating across Canada under the CSSM Ministries banner. DBC was established in 1946 and moved to its present location on the northern edge of the Riding Mountain National Park in 1947. We are a non-denominational and non-profit organization dedicated to reaching children with the Gospel of Jesus Christ.

OUR GOAL...

"...that we may present everyone perfect in Christ." - *Colossians 1:28*

WE FEEL THAT CAMP IS...

A place to meet God through His Word and through the wonders of His creation.

An opportunity to get to know Jesus Christ personally as LORD and SAVIOR.

A time for learning, achieving, growing, and maturing through healthy activities.

A place to develop new friendships and to strengthen others by working, playing and worshiping together.

STATEMENT OF PURPOSE

The purpose of the Dauphin Bible Camp shall be the utilization of the camp setting, not only to minister to the social, physical, and emotional needs of campers, but to proclaim the Word of God both by formal teaching and godly examples, thus seeking to serve the local evangelical churches in complementing their efforts through a ministry of evangelism, Christian nurture, and leadership development.

Rental Groups must be Christian-based, demonstrate good religious and moral values, and fall within the specified purpose and guidelines of the Dauphin Bible Camp. A schedule of events must be submitted to the Camp Director for approval before the time of the rental.

Activities during the summer camping season include Bible Study, Chapel, Nature Lore, Horsemanship, Swimming, Sports, Archery, Pellet Guns, BMX Biking, Journalism, and Drama. Several of these activities are available to rental groups but subject to availability of qualified supervision. In addition to our regular children's camps, we offer a Mountain Bike camp, which spends a week riding trails both at the camp and in the Riding Mountain National Park. We also offer a Special Needs Adult Vacation whose goal is to provide a caring Christian community in which adults with both mental and physical disabilities can enjoy a week of camp activities.

Facilities are rustic, with no electricity in the cabins, and non-winterized plumbing. We have equipped ourselves for your convenience with modern washroom and shower facilities, and several cabins large enough for individual families which do have electricity. For those who bring along their own kitchen staff we have heated cooks quarters with modern washroom and shower facilities. We have room to house approximately 120 people. Our main chalet consists of a large kitchen, a dining and chapel area, and fully function washroom facilities. We also have a large office building which has a craft room that is suitable for smaller group meetings.

Fees consist of a flat rate of \$200 per day or portion thereof. In addition there will be a daily fee of \$2 per person for anyone over the age of 6. There will also be a \$25 per day fee for the use of the kitchen, which does not include any kitchen staff or meals. All recreational sites as specified under the *Extra Fee* section in the rental application will be subject to additional charges. Because off-season use of the pool requires significant maintenance costs there will be a flat fee of \$150 for pool use and an additional charge of \$50 per day. No lifeguard will be provided by the camp. The Horse and Wagon rides will also be subject to a flat rate of \$50 per day in addition to a \$5 per person per ride charge with rides being approximately one hour in duration.
